Seminar

Association member

Society Organisation

Role

2019/01/14 - Current	Foresight Europe Network	Member
2017/10/03 - Current	Co-creation and animation of Rhizome Chôros, an international network dedicated to the production of scientific research and the fabrication of ideas for the debate public. Rhizome Chôros is a spin off from the laboratory Chôros-ÉPFL (École Polytechnique Fédérale de Lausanne) and brings together researchers from France, Switzerland, Italy, Portugal and Belgium.	Founding core member and animator, responsible for the pole New activities and services

Consulting

Activity description

Institution / Organisation

2017/08/31 -	Scientific advisor for "Latitude : Platform for urban research and design" in the action research project "Ilot d'eau", part of the consortium "Brusseau, Bruxelles sensible à l'eau", funded by Innoviris.
--------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Course / Discipline taught

Academic session	Degree Subject (Type)	Institution / Organisation
2018/03/26 - 2018/03/30	As part of the "Week of Innovation in Pedagogy", co-conception of a workshop anchored in the action-research project "Brusseau, Bruxelles sensible à l'eau". I have tutored students in designing and conducting interviews concerning the inhabitants' conceptions linking water and justice.	Atelier de co-création autour de l'eau (Master) Université Libre de Bruxelles Faculté d'Architecture La Cambre Horta, Belgium
2013/02 - 2014/06	I have assisted in the theoretical course "Urbanism and territories". This course teaches fundamental concepts for interdisciplinary urbanism, focusing on the challenges of contemporary spatial planning and its modes of action.	Urbanisme et Territoires (Master) École Polytechnique Fédérale de Lausanne Faculté Environnement Naturel Architectural et Construit, Switzerland
2013 - 2014	Co-conception, organisation and lecturing of two cycles of the doctoral course "Thinking Space".	Penser l'espace : Justice spatiale (Doctorat) École Polytechnique Fédérale de Lausanne Faculté Environnement Naturel Architectural et Construit, Switzerland
2013/02 - 2013/05	As part of an interdisciplinary team, I tutored the lab "In-between cities and urbanity" focused on urban projects for sites outside the compact city. I was responsible for working with students on awareness of the spatial justice issues raised by their projects.	L'entre-deux des villes et l'urbanité (Licence) École Polytechnique Fédérale de Lausanne Faculté Environnement Naturel Architectural et Construit, Switzerland
2007/07 - 2007/07	Conception and tutoring of a discovery program of architectural design targeted at high school students considering an application to the Faculty of Architecture.	Junior University, "Faz de Conta" (Ensino secundário) Universidade do Porto Faculdade de Arquitectura, Portugal

Interview (tv / radio show)

	Program	Theme
2019/05/24 - Current	Micro de Alexandre Wajnberg, RadioCampus ULB	Pour une justice spatiale

Distinctions**Award**

2017 Distinction EPFL en Architecture et sciences de la ville (PhD thesis award)
École Polytechnique Fédérale de Lausanne, Switzerland

2009 Honourable mention Europan 09
Europan Europe, France
